

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

My only regret with this playschool is, if i had of known about it i would of preschooled, My other two children here. from the first day of meeting tracey and linda, i knew my child would be safe and happy, he is such a shy child but, the amount of stuff he has learned, blows me away, I was always kept up to date with his learning and ability's. i could go on and on, i would highly recommend this preschool to anyone, i know, Thank you for your kindness.
