

Could you please tell us now in your own words, how you have found Little Scholars as a Pre-School? How were the teachers who looked after your child / children? Was the contact with the Manager a nice experience? And would you recommend Little Scholars to other people who you may or may not know?

Little scholars is a great school. I have had ~~2~~ Two of my kids here. My son previously came here and my daughter Isra is here at the moment, she really looks forward to going in every day, specially friday!

Tracey, Linda and Ger are very attentive to each of the kids and are very pleasant to talk and deal with. They are very patient, and very caring and very easy to talk to if any concerns, Isra is always talking about them. My son Eas is in now 2nd class, when he have day off he went to meet Tracey and Linda. Our daughter Isra really enjoyed going every day. She learned so much and brought home lots of art work which we have placed all around home.

The school is very safe which was important and put my mind at ease. I was recommend my two of friend's child and they are going to little scholars September 2016, I Definitely recommend this preschool to everyone. Many thanks to all the teachers for their dedication and commitment and patience and enjoyable time!
